

PRE-CONSTRUCTION PRICING NOW AVAILABLE!

The Village of Glenwood is surrounded by holes 6, 7, 8 and 9 of the golf course and is situated on gently rolling terrain. Before entering The Village of Glenwood, you and your family will pass by the rushing pond and waterfall adjacent to the ninth hole of the golf course. As you drive over our signature "Red Bridge," the 5th green is to your immediate right and the 6th tee is positioned directly ahead.

The homes in Glenwood will be built on lots that are approximately 1/3 of an acre, with some oversized and special lots available. Glenwood will consist of fine homes sized from 2,700 square feet. Lot prices range from \$99,990 to \$159,990. Lot and house packages will start at \$389,000. To keep the community values at consistently high levels and to ensure low maintenance, construction materials will be mandated to each of the home builders. A strict set of covenants and restrictions will govern The Village of Glenwood.

Many of the home sites are wooded and some will offer spectacular views of the golf course and the rustic vineyard beyond!
